

Flagler Beach Police Department Civilian Law Enforcement Academy

To our students,

The Civilian Law Enforcement Academy is a program that is designed to provide the public with a working knowledge of their Law Enforcement Agency's mission, operation, policies and personnel. This class is aimed at creating a mutual trust between the police and residents. Civilian Law Enforcement academies provide a productive outlet for the mutual sharing of information and concerns in order to further common goals of communities and Law Enforcement Agencies.

Completion of the Civilian Law Enforcement Academy will not enable you, as a citizen, to take any law enforcement action. However, it will give you enough insight into what we do to make a difference in our law enforcement efforts.
